

Child and Adult Care Food Program Participant Racial/Ethnic Composition Table

Please complete the following information to determine if the ethnic/racial composition of the enrolled children/adults in the Program generally reflects the ethnic/racial composition of the service area from which it draws its attendance.

Section 1. Provide breakdown of POPULATION in Program service area by ethnic/racial category. Information can be obtained by contacting Arizona Department of Economic Security Population Statistics at 602.542.5984. Fill in the percentages in the applicable boxes. Total should be close to or equal to 100%.						
1.	American Indian Alaskan Native	Asian or Pacific Islander	African American, not of Hispanic Origin	Hispanic	Caucasian, not of Hispanic Origin	Total
Service Area Percentage:						
Section 2. Categorize currently enrolled PARTICIPANTS by racial/ethnic group. This information may be taken from the Income Affidavits, or be obtained by visual identification.						
2.	American Indian Alaskan Native	Asian or Pacific Islander	African American, not of Hispanic Origin	Hispanic	Caucasian, not of Hispanic Origin	Total Enrolled
Number of participants:						
Section 3. Calculate the percentage of participants in each ethnic/racial group. (Divide the number of participants in each group by the total number of participants enrolled) .						
3.	American Indian Alaskan Native	Asian or Pacific Islander	African American, not of Hispanic Origin	Hispanic	Caucasian, not of Hispanic Origin	Total Enrolled
Percent of enrolled participants:						

If the percentages in Sections 1 and 3 generally correspond, the enrollment of your center reflects the composition of the geographic area.
